St. Mary

Inclement Weather Policy

With winter upon us it is only a matter of time before we'll have inclement weather, which can make traveling dangerous, and which raises the question "Is there still Mass and/or Confession today?" In answer to this question, whenever the Middleton-Cross Plains Area School District cancels school due to inclement weather all normally scheduled Masses and Confession times at St. Mary, St. Martin of Tours, and St. Peter will also be canceled. Regularly scheduled Masses (and Confessions) at St. Bernard and St. Francis Xavier will still be celebrated, however, since the priests live at these two campuses and can easily walk over to the respective churches. Thanks for your understanding.
