## Study Guide for Chapters 13-15

Screwtape Letters Book Study | St. Peter & St. Martin of Tours Parishes

## Lesson

At the beginning of the session, we will consider how God's grace works in us and why it is so important. A recording of this presentation will be available on the St. Peter Catholic Parish YouTube Channel and at www.ashtoncatholic.org/screwtape

## Chapter 13 - Grace, Reality, Detatchment

1)	What is the major mistake that Wormwood has let the patient slip into? He says that a
	"second conversion" is most dangerous. From God's perspective, what does He try to do
	for us with all these conversions?

2) Detachment is a virtue that the Lord wants to cultivate in us. How can we grow in detachment and humility, which is the virtue it leads to?

3) Action is the worst thing that Screwtape can think of (at least in this chapter). What does acting on the graces God gives us develop in us? What are ways to personally developing a habit of conversion?

## **Chapter 14 – Humility**

1)	Based on what Screwtape says, what is humility? What is it not?
2)	What are strategies for us to grow in humility?
<u>Chap</u>	ter 15 – Past, Present, and Future
1)	What timeframe are we most aware and with God?
2)	What are the ways we can be tempted when we think about the Past and Future?
